## Thoughts from the President

I am honored to serve as your board President the next two years. Chatmoss is such an important asset to our community, and the club has been an integral part of my family's life for the past 30 years. While his are big shoes to fill, I am fortunate to follow Bill Sibbick as President. His efforts have left us in great shape with a lower interest restructured loan on our debt and improvements to the clubhouse and kitchen, golf course, swimming pool and tennis complex through the CAP-EX Fund drive. The board will work hard to build upon the many positive things achieved the last two years.

Outlined below are some key initiatives for the coming year:

- Bill Sibbick will continue to spearhead the CAP-EX program as we still have areas we need to address....new doors in the clubhouse being a top priority.
- New Membership Drive – details on this program were e-mailed to the membership at the end of March. This drive is similar to the new member campaign we had a couple of years ago with monthly credits being offered for sponsors and new members accompanied by reduced initiation fees. Please reach out to friends, family, and work associates. Our members are the lifeblood of the club and essential for the future of Chatmoss.
- Golf Initiative – in an effort to generate more golf activity, the board has approved three new programs to be tested this year.
  1. 10 rounds for \$400.00 – any MGA or LGA member is allowed to extend three invitations for this promotion to non-members of Chatmoss. Existing social members of Chatmoss are automatically available to participate in the program. Applications are available at the pro shop. The club is setting a limit of 50 "10 for \$400" participants.
  2. \$300.00 Junior Membership – Robert Weinerth and PC Wells have developed and run a very successful PGA Juniors program the last two summers. They anticipate having 20 plus junior golfers participate this summer. Some are children of Chatmoss members but many are not. This is an effort to introduce the golf course and Chatmoss to these junior golfers and their families. This program will allow the junior member (under the age of 18) to play the golf course. Parents may play with the junior member and pay the normal greens and cart fees.
  3. \$300.00 – unlimited range balls for 2019.

It looks like spring is finally here! The House committee, led by Carin Gregory, met in early April and has many great things planned for the coming months. Check the club calendar for details. Let's all get out and enjoy the club!

*Gus Barber*  
President

## Comments from the Clubhouse Manager

I hope everyone is enjoying the spring weather. The Club is getting ready for spring and summer including the opening of the Pool/Pavilion, and the golf course looks great. Hopefully, we will not have as much rain as we did last year, and everyone can enjoy the pool and the golf course. The pool has a new look, and it looks very, very good. Come check it out.

The House Committee is planning some exciting events, so watch your emails, for some old favorites, some new fun events, and pop-up events. Make your reservations for Mother's Day and the Memorial Day Cookout.

We look forward to serving you each time you are here, and we are constantly trying to improve our service. We hope to see you here often.

*Judy Chaney*  
Clubhouse Manager

## Comments from the Operations Manager

Spring has arrived and it feels great to have warm weather. It is time to get the kinks out of your various swings and focus on a summer of improvement. We all know that when you are playing well or your fitness is better life seems to go more smoothly. So come on, work on your overhead volley or improve your bunker play. If that doesn't work, just sit poolside with a drink of choice. One of these will options will surely benefit you.

Cameron Light will be back poolside this summer as our head lifeguard. The pool area is undergoing a facelift and I think you will be happy with the results. I would like to thank Beth Sibbick and the pool committee for their hard work and planning. I would also like to thank our Facilities Manager Bruce Arrington for his efforts at the pool.

The golf course is beginning to turn green and R E Turner and his staff are doing an excellent job. We have had unfortunate run the last two summers, so I hope this will be the bounce back year. We seem to be headed in the right direction.

Signups for our third PGA Junior League season are underway. This is a great program for junior golfers and a great competitive introduction to the game. Please call the Golf Shop or check online at [PGAjrLeague.com](http://PGAjrLeague.com) for more information.

I would like to thank everyone that has contributed to our capital campaign. It has helped us make much needed upgrades to equipment. I feel that the dedication of our membership is second to none. It is our pleasure working for you, so please let us continue to serve your social and recreational needs.

Please contact us with your comments or concerns.

*P. C. Wells*  
Operations Manager

*Robert Weinerth*

I know you're not supposed to wish your life away, but I'm glad spring is here!!! Our greens seem to have weathered the winter with flying colors. We still have a lot of work to do on them: top dress, verticut, top dress them, then go down on height of cut. We completed some other projects this winter. The walkway on Number 1, number 7 tee box, 14 steps going up to yellow tee. I want to thank the members that helped us put tarps on the greens this winter. I am looking forward to this year and making Chatmoss a great place to play golf!

Thanks to all!

*R.E. Turner, III*  
Golf Course Superintendent

## Tennis

Outdoor tennis has finally arrived at Chatmoss. We have had all 6 of the outdoor courts resurfaced and ready for play in the warm spring days. Early in the season the outdoor courts could be softer than normal after rain showers. If you walk out and see your footprint make indentions in the court, the ball may not bounce very well. You will not damage the court just see if ball bounces ok, and, if not, please clean your shoes in our shoe washer and make your way inside. If you start playing outside and rain starts, just clean your shoes and come indoors. If it is a light shower the outdoor courts will dry quickly, but as previously said, they may soften depending on the conditions.

The first two weeks of May there will be construction going on in the indoor center. The walls of the indoor center will be resurfaced to give a clean white look to the indoor courts. During this time, there may be limited or no availability to the indoor courts. This schedule will be fluid as the project progresses. Please check with us in early May with all updates to the project and how this may affect your indoor tennis in inclement weather.

If you have a guest playing with you, please check them in at the pro shop. Guest fees are \$10.00 in town and \$5.00 out of town per person. We appreciate all your help with the outdoor courts.

Please continue to check the website and in the Pro Shop for upcoming events as summer is approaching. If you have lessons scheduled and have a conflict come up please give us a call to reschedule or cancel as this will allow a fellow member to get a lesson time in they may be waiting for.

*Mike Weidl*  
Director of Tennis

## Fitness Center

We are entering into a busy time of year for everyone. School is coming to an end summer vacation are on the horizon and day to day activities are always looming. The fitness center is open from 5:00 am to 9:00pm to help accommodate our busy lives.

As we enter into the summer, please check our website and fitness schedules in the fitness center for class schedules. We will be adjusting to a smaller class schedule in the summer and will have those schedules available by mid may.

To help everyone enjoy our fitness center, we would ask that when using the facility please sign in when you arrive so that we can know who is in our facility and please replace any equipment used so that it is ready and out of the way for your fellow members when they arrive. If you have a guest with you please sign them in. Guests are allowed at a cost of \$10.00 per visit. There is a limit of ten visits through the year.

The fitness center is not staffed on any regular schedule. We appreciate all the help that the members provide in keeping our facility tidy by replacing weights and cleaning equipment. If anything is out of place or broken, please bring to our attention at the tennis center. If you find yourself or another member in danger and needs immediate assistance, please call 911. There is a phone at the fitness center desk if one is not with you.

I want to thank all of our fitness trainers and spin instructors for all of their help. Without them our program would not be the success that it is. Thank you for all your help. See you in the gym.

*Mike Weidl*  
Fitness Director

## Serving It Up From Chef Joe

Hopefully the cold temperatures and rainy weather are behind us. Warmer weather is forecast in the near future. We are looking forward to the opening of the Pavilion and pools in a few weeks. The pools have been updated to enhance your enjoyment of a wonderful summer.

The Easter Bunny made an appearance at the Bunny Breakfast and the Easter Egg hunt that followed. We hope your little ones enjoyed this fun-filled event.

The social committee and staff have been hard at work planning events to keep you as busy as possible at Chatmoss during the spring season. We are scheduling a Prime Rib Night and a Taco Tuesday Night.

A classic holiday buffet is planned to celebrate Memorial Day. A Mother's Day and a Father's Day celebration is scheduled in May and June respectively. Please make your reservations early as those events fill up fairly quickly.

My staff and I look forward to making your visits at Chatmoss memorable ones. If there are any special requests, dietary needs, or allergies, please feel free to call ahead, so that we may make your experience here the best it can be. And, as always, we appreciate any feedback, comments, or suggestions.
