Thoughts from the President

Dear Chatmoss Members:

As summer winds down at Chatmoss, we reflect on our favorite summer days.

The Club has experienced a great summer full of activities. All facets of the Club have been very busy this summer.

We completed our Member/Member golf tournament, the Chatmoss Invitational and the professional Chatmoss Classic G-Pro Tournament. The G-Pro Pro/Am had twenty one four man teams participating and there were over 100 professionals on our course for their three day event. Very exciting!

The Chatmoss Invitational Men's and Senior divisions were won by Chatmoss members Jack Adkins and Jerry Wood. Congratulations gentlemen! There is great anticipation regarding our annual Member/Guest Tournament scheduled September 9th through the 11th. It is always fun to watch the shoot-out at the tournament's conclusion!

Chatmoss had sports camp for our youngest members full of fun activities.

The sound of music this summer appeared to be continuous. Special thanks to DJ Smiley, Matt, and Mandy for entertaining our members and making our summer days and evenings very special.

Tennis socials and tennis events were scheduled throughout the summer.

If you failed to enjoy the Club this summer or just can't say good bye to summer, don't despair!

We still have plenty of summer days to enjoy our great Club and experience more favorite summer days. Consider an early morning workout at our fitness facility, a set of tennis before lunch, floating in our refreshing swimming pool in the heat of the day, hitting the golf course for a quick nine and happy hour with friends to round out the day. Warning, you might have to fight the sunset to complete your Chatmoss favorite day! Enjoy, our staff are standing by to offer you a great experience.

Thank you for your patronage and continuing to make Chatmoss your first option for family entertainment.

Join me at the Club!

Jim Farrell
President

Hand & Foot will return the second and fourth Tuesdays of the month in September.

This is a fun game and easy to learn. Let CeCe Johnson know if you would like to learn. Please call her at 276-340-8999.

Comments from the Clubhouse Manager

It is hard to believe that summer is on the way out, and fall is approaching.

This summer was definitely hot. Time passes much too quickly. I hope you have had a chance to enjoy the pool on some of these hot days. The pool will remain open through September, but the last day for the Pavilion to be open is Sunday, September 11; however, if you are at the pool, please call the Clubhouse, and we will bring whatever you need to the pool.

The House Committee is working on some events such as the Chatmoss Murder Mystery and, of course, Halloween for the Kids. Please watch your emails for upcoming events. Some are listed in this newsletter, but you never know when we will have a pop-up event.

The golf course looks absolutely beautiful. A great big "Awesome" to John Hart and his entire crew for their dedication and hard work especially during the super-hot days.

Even though we are still understaffed, Chef Joe and his crew continue to work hard to keep the food and beverage going strong. It is hot in the kitchen too, but they are dedicated to doing their best.

As most of you know, Doris, our bookkeeper, got married and moved to Gastonia. Sarah Vernon has taken her place, so stop by and welcome her to the Club when you have the opportunity.

As always, thank you for the support of the Club

and the employees. Without you, the members, there would be no Club.

Judy Chaney
Clubhouse Manager

Judy says... "Welcome to our new bookkeeper, Sarah Vernon. Sarah is doing a great job. Come by and meet her if you get a chance."

Serving It Up From Chef Joe

The summer months are coming to a close. I hope all have had a good one whether it was vacation or just time with the family. We will be celebrating Labor Day, which pays tribute to the American workforce for their contributions and accomplishments. The menu will include all of the favorites associated with this holiday.

The hot weather will soon be behind us. Fall and football season is quickly approaching. Come to the Club to watch your favorite college team "PLAY BALL."

The Club has scheduled some fun events for the next few months. The ghosts and goblins will be out in October. There will also be a celebration of Thanksgiving which can include dining at the Club or we will prepare a meal for you to serve at home.

Please call the business office at 276-638-2484 to make reservations for any planned event or order take out.

Please watch for emails so you can come out and enjoy the Club.

Chef Joe Lilly
Executive Chef

An unexpected visitor

Tennis Match with Danville

On The Greens

I hope that everyone has been enjoying all the great golf this 2022 season. Lots of hard work has been put in and I feel the golf course shines. Mother Nature has been sending frequent rain our way and for that our grass is LUSH. Greens are healthy, fairways are tight, turf is clean of weeds, and the rough is thick. Agronomically, we are in great shape. We have aerified and had a full load of tournaments since my last newsletter. Chatmoss was honored to hold the Virginia State Senior AM Stroke Play, Chatmoss Invitational, and the GPRO Tour Chatmoss Classic. All of these tournaments have been great publicity for the club and bringing in new faces to see just how wonderful our facilities are. As we move forward, we will be looking towards to Member-Guest in September and the Four-Ball Invitational in October. Weather is always a concern when tournaments are on the horizon. Continuous rainfall will affect a course's playability by losing firmness and speed to its surfaces. I always hope that we are in control of all the "inputs" before and during a major tournament, but as we all know, we can only control certain parts. Sometimes everything is cooperating, and other times it does not. As we move into these last few months of warm weather, I hope that members will participate and sign up for these events or come out to spectate and support. I want to thank all the members. You have been so supportive of all our efforts. We work hard to bring you our best each day. A couple of new

things on the course are a walking bridge on #12. I would like to thank Brad Smart for donating the materials for that. We are also going to be working on redoing the ornamentals in the bed on the hillside behind #8 green and #4 tee. I would like to thank the MGA for their unwavering support and for donating the ornamentals. This will really make a difference in appearance looking up the hill from the fairway while adding some more flare to the course. Once again, thank you and until next time...

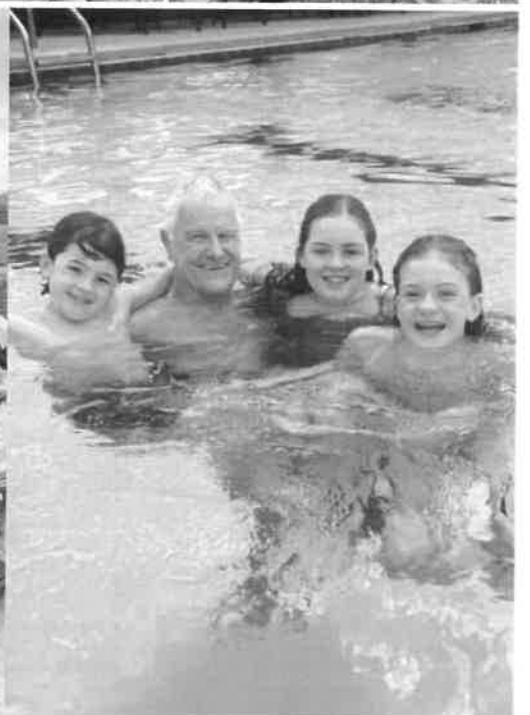

John Hart
Golf Course Superintendent
